

11M INTERCEPTOR

FAST ATTACK RESCUE

GO F.A.R. OUTPERFORM EXPECTATIONS, MITIGATE RISKS, SUCCEED.

MetalCraft Marine's INTERCEPTOR RIB series is an extremely rugged, high speed line of aluminum RIBs designed for the most severe marine environments. Each RIB is built to stringent military specifications and is highly configurable to meet unique mission requirements.

Available in sizes from 7M through 12M, every boat comes with MetalCraft's standard 10 year hull warranty.
