

Quality Policy Statement

MetalCraft Marine Incorporated is committed to fully understanding our customers' requirements and then providing vessels and services that transcend those requirements. We will do this by ensuring our products and services are of the highest quality and meet or exceed all applicable standards as defined by the appropriate governing body.

MetalCraft and all of our team members are dedicated to achieving this through a relentless commitment to:

- Continuous improvement in our products and processes, including our quality management system.
- Ongoing professional development.
- Involving our suppliers as partners.
- A zero defect mentality.
- Ensuring operations are conducted in a safe, healthy and environmentally sustainable manner.

Through our unwavering commitment to quality, including a regular review of related objectives and plans, we will continue to be viewed as the partner of choice by our customers.
