Dear Mr Wroe:

Thank you for the framed photograph of our Emergency Response Unit. As you know, the officers in this unit are invariably called upon to conduct what we call in police jargon "high-risk take-downs." We are proud of our Emergency Response Unit, and your kind gift will have a place of honour in our building.

I would also like to take this opportunity to thank you, Ron Potter, Tim Hastie, and Deborah Berry for all of the work done in connection with the unit's van. Constable Neil Finn has relayed that your service throughout the project was excellent and that the end result was extraordinary in the practical use of all available space.

Thanks for your contribution towards the efficiency of this vital unit of the Kingston Police.

Sincerely,

W.J. Closs
Chief of Police
