Dear Mr. Clark:

**SUBJECT:    KINGSTON VISIT ON NOVEMBER 25, 1998**

On behalf of myself and Ron Jackson, I would like to thank you and your organization for providing us with a tour of your facility on such short notice.

We were quite impressed with the video presentation of the new C.C.G. vessel "Cape Sutil" and some of the other projects which were completed by your yard. We also found the short in-action sea trials of the new C.C.G. vessel very interesting.

Ron and I found our visit to Metalcraft Marine extremely informative and beneficial. The pride you and your workforce have in your product is evident and justified.

Thanks again for your hospitality.

Yours sincerely,

Bud Streeter
